City Corporation Council,
(thro. the Pdt.)

Serial No.

Letter No. B2: C. 270 / 52-53 & 15-6-53 from the Chairman Mysore Trust Board, requesting sanction to acquire portion of properties bearing D. Nos 519, 520, 521 and 655 of Block No 46, Devaraja Mohalla, Mysore to form a road.

1. Submitted for perusal. It is stated that the Mysore City Municipal Council have agreed to meet the cost of acquisition out of their funds. — out of the provision made in the last year's budget — this has lapsed. It is not known whether any provision is made in the current year's budget of the Municipality. Moreover, it is also not known why the Trust Board has decided to acquire these properties or the Municipal Council may initiate acquisition proceedings. as the cost is proposed to be met by them. It is not clear whether the declaration statements may be returned to the Chairman with the directions, that ~~may~~ the Board need not acquire under the T. P. Act these properties, and that the Municipal Council may initiate acquisition

proceedings, if they consider it necessary to do so.

2) This is a scheme in which the Trust 15/17/7. Bg wants to spend Rs 65 75/— which is proposed to be given by the Hl. cl Mysore for acquiring certain properties. The wisdom of requesting the Trust Bg for acquiring these properties cannot be understood The Hl cl can acquire the properties. Mere acquisition of some houses cannot be treated as a scheme. There is no road to be formed by the Bg, no sites to be formed, no underground drainage or surface drainage to be constructed by the Bg and there is no proposal of realising the amount spent This is a proposal which should have been submitted by the Hl cl and not by the Trust Bg
